NHPA Executive Committee Meeting

December 2025

Present: Brendan McQuaid, Carol Robidoux, Laura Simoes, Rose Kundanis, Mark Guerringue, and Judi Currie

Meeting Minutes: No minutes to approve. (Those will be up to date as of January meeting)

Treasurer's Report: No report from Melanie

President's Report: Brendan welcomed Judi.

Executive Director Report: Judi is updating membership information, fixing broken links on the website, and getting up to speed on tech platforms. The list of members on the website does not match the list of members we are billing.

Judi is creating a shared Google calendar for members to add events that may interest us as well as the monthly meetings. If we have news to share, send it to Judi so she can add them to the website and include them in our newsletter.

Judi will resume sending the meeting link to all members, possibly in the newsletter.

Legislative Affairs and Right to Know Committee:

The committee hasn't met but Brendan will reach out to Annmarie to set up a meeting. The current members are Brendan and Annmarie. Brendan will reach out to a new member who is interested and Jonathan VanFleet, who has been involved in the committee in the past.

Contest and Banquet Committee:

The student contest is Friday April 11, 2025.

Judi said she heard from a member who would like to add a new category to the professional contest for education coverage. She will announce the contest dates by the end of December and seek input from members about potential changes. Judi will also reach out to Mike Cote about his interest in continuing to participate in the contest.

Education Committee:

The committee has not met recently. Brendan suggested an education and banquet/contest meeting at the same time.

Memberships and Sponsorships Committee:

The committee approved Roger Wood's membership application. He was with WOKQ and InDepth and is doing his own podcast.

Brendan is taking suggestions for contest sponsors.

Old Business: Nothing

New Business: Welcome Judi!

Meeting adjourned.
